RELEVANT EXPERIENCE

Event Assistant (Part-Time), Augustana University, Remote/St. Paul, MN November 2025 - Present

- Design and coordinate layout, scheduling, and logistics plans to optimize event space utilization
- Collaborate with 15+ faculty members per event to ensure streamlined experiences for students
- Support event operations across week-long programming, including setup, teardown, and faculty assistance
- Research and present venue recommendations to supervisor for future event hosting
- Developed a check-in/check-out inventory tracker managing hundreds of unique equipment items

Data Research Analyst (Part-Time), Public News Service, Remote October 2025 - Present

- Build and maintain a web scraper to systematically collect data on 2,000+ radio, television, and newspaper outlets across the country
- Validate callsign and contact information for media outlets that have distributed Public News Service stories to ensure database accuracy
- Advise full-time staff on data organization methodology and project workflow to improve efficiency

Admissions Visit Assistant, Macalester College, St. Paul, MN September 2022 - May 2025

- Conducted 3+ campus tours per week to groups of 4-5 prospective students and their families
- Connected prospective students' academic and extracurricular interests to available opportunities at Macalester
- Coordinated and trained student tour guides
- Stood in for professional staff when necessary (e.g. moderated Q&A panels and welcomed guests)
- Ensured a smooth transition and respond to differing needs in various stages of the admissions season
- Assisted with tasks around the Admissions office as needed

Boards and Commissions Intern, Office of Governor Walz, St. Paul, MN September 2023 - December 2023

- Synthesized candidate information into concise briefs to support appointee recommendations for Minnesota boards and commissions
- Vetted applicants by reviewing resumes and conducting background research to identify any disqualifying information
- Collaborated with professional staff to create pertinent graphs and visualize findings
- Analyzed demographic data of current and past appointees

TECHNICAL SKILLS

- Proficient in R and RStudio, Microsoft Excel and Office; Basic knowledge of Python, Tableau, SQL, Java

COLLEGE LEADERSHIP

Mock Trial Competitor, Macalester College, St. Paul, MN September 2021 - February 2025

- Coached "C" team to the best performance of any Macalester C team since 1998 by mentoring first-year competitors on strategy and courtroom performance
- Received Peer Mentor Award from Macalester College in recognition of impact as C team coach
- Competed for three years, including one year on "A" team, earning the Charles W. Ferguson Endowed Prize in Public Speaking
